

Throughout his career, Burke has remained active in local and industry organizations. His recent involvement includes the American Public Power Association, Large Public Power Council, Nebraska Power Association, the Business Ethics Alliance trustee, and the past chair and executive committee of the Greater Omaha Chamber of Commerce and United Way of the Midlands. He has also been heavily involved with Offutt Air Force Base and STRATCOM and has served as chair of the STRATCOM Consultation Committee. He is on the executive committee of the Offutt Air Force Base Advisory Council, and he has been a civic leader with the Air Force Chief of Staff and the Air Force Global Strike Command Civic Leader program.

I had 16 assignments in the Air Force and found the local community around Offutt to be the most supportive and welcoming of all, and Tim embodies that patriotic welcoming spirit to the fullest.

Family is extremely important to Tim. He and his wife, Terri, have three sons, five grandchildren, and a sixth grandbaby on the way.

Post retirement, Tim is looking forward to first spending more time with his family and then finding ways to keep himself busy in the local area. He has been heavily involved in the local area, and I am sure he will continue to do so, and we need him.

On top of all of this, one of Tim's passions is music, especially playing with his Irish pub band, the Shenanigans, with two of his sons. Burke is an exceptional leader and a skilled communicator and has served the Omaha area with honor and distinction.

We thank Tim for his time with OPPD and for keeping the power on for those living in southeast Nebraska.

HYDE AMENDMENT

The SPEAKER pro tempore. The Chair recognizes the gentleman from Kansas (Mr. MANN) for 5 minutes.

Mr. MANN. Madam Speaker, I rise today to voice my strong opposition to President Biden's budget proposal for its exclusion of the Hyde amendment, which for 45 years has protected Americans from forced financial complicity in abortion and abortion services.

When Congress passed the Hyde amendment in 1976, our country's lawmakers had the sense and decency to agree that if abortions were going to take place in this country, then at least dissenting Americans wouldn't get stuck with the bill. Forcing people to pay for the killing of babies with their tax dollars is unconscionable. That is why the Hyde amendment was passed.

Now, the President wants to revoke this protection, as if his \$6 trillion budget—which would blatantly require us to raise taxes or print money unto bankruptcy—wasn't already disastrous enough.

I believe that life begins at conception and that unborn children in our

country have a right to live. Every Member of Congress should, but one does not need to in order to support the Hyde amendment, which prohibits the Federal Government from forcing the American public to do something that we should never ask them to do: pay for abortions.

HUTCHINSON FOOTBALL CHAMPIONSHIP

Mr. MANN. Mr. Speaker, I rise today to celebrate the First District's Hutchinson Community College football team on their National Junior College Athletic Association National Championship.

Earlier this month I spoke on this very floor about playing eight-man football in rural Kansas. I indicated there were clear winners and losers in the game. On June 5, 2021, the Blue Dragons finished the regular season as clear winners, undefeated, and ranked number one. On top of that, first year Head Coach Drew Dallas went on to be named the 2020 through 2021 NJCAA Football Coach of the Year.

This is the program's first national championship and third undefeated season. The talent, time, and effort that these student athletes put into playing football while obtaining a college education is remarkable.

Congratulations again to the Hutchinson Community College football team and to Coach Dallas.

HONORING THE LIFE OF ANTHONY CAZILLO III

The SPEAKER pro tempore (Mr. KAHELE). The Chair recognizes the gentleman from Pennsylvania (Mr. SMUCKER) for 5 minutes.

Mr. SMUCKER. Mr. Speaker, I rise today to honor the life of Anthony Cazillo, III, who passed away last month at the young age of 26 years old.

Anthony made an exceptional impact in his short life in the lives that he touched and in the community that he lived. He served as a township supervisor in Pequea Township, Lancaster County, and he was running for reelection this year.

To serve in elected office at such a young age speaks to the life of service that Anthony lived and the passion that he had for improving his community. One of Anthony's goals as a supervisor was to "make Pequea Township boring again." This is just one example of his wit, his sense of humor, and I believe indicative of the servant's spirit that he carried as a local elected official.

Anthony was a graduate of Millersville University and the Penn Manor School District. He is survived by his wife, Katelyn; his parents; and his sisters.

My condolences and prayers of comfort are with the Cazillo family, his friends, and all those who grieve for Anthony.

I was really thankful to have gotten to know him in recent years. We certainly wished that Anthony could have been with all of us longer, but we do

give thanks for the time spent with him.

UTZ'S 100TH ANNIVERSARY

Mr. SMUCKER. Mr. Speaker, I rise today to honor an iconic business and household brand name from Pennsylvania's 11th Congressional District.

Utz Brands of Hanover—the "Snack Food Capital of the World"—is celebrating its 100th year in business and now has the fifth generation of family members as part of the company.

Founded as Hanover Home Brand Potato Chips by Bill and Salie Utz in 1921 with just \$300, the company used hand-operated equipment to produce up to 50 pounds of potato chips per hour from their home.

Quickly outgrowing the volume they were able to produce from their home, the company changed its name to Utz Potato Chip Company and purchased land to build their first factory on Carlisle Street in Hanover in 1947.

Fifty pounds of potato chips per hour in 1921 has grown to 5.5 million pounds of snacks produced each week. Utz Brand operates 15 factories in the United States, generating over \$1 billion in sales annually. The company's headquarters and six manufacturing facilities, as well as 1,800 employees who staff those facilities, call Pennsylvania's 11th District home.

Utz is certainly one of the key families and companies that have earned Hanover the moniker of the "Snack Food Capital of the World." They have made an extraordinary impact on the community that I represent through their business and charitable efforts.

I want to congratulate them on this remarkable milestone of 100 years in business and wish them continued success in the next century as well.

EIGHTEEN DAYS FOR H.R. 18

Mr. SMUCKER. Mr. Speaker, I rise today in support of life and our Nation's unborn children.

For over 40 years, the Hyde amendment has kept taxpayer money from funding abortions, and it is estimated to have saved at least 2.4 million lives.

Polling consistently shows that a majority of Americans oppose being forced to pay for abortions with their tax money. This is something that we all should be able to agree on. However, House Democrats recently passed a spending bill for the Department of Health and Human Services that, for the first time since 1976, does not include the Hyde amendment.

H.R. 18, the No Taxpayer Funding for Abortion Act, would make the prohibition against Federal funding for abortions permanent and government-wide.

Mr. Speaker, I ask unanimous consent that the Committees on Energy and Commerce, Ways and Means and the Judiciary be discharged from further consideration of H.R. 18.

Life is a precious gift, and we must do all that we can to ensure that we defend the unborn who have no voice to speak for themselves.
